

GIRFT Oral and Maxillofacial Surgery - Lab Questionnaire

Overview

The information entered into this questionnaire will serve as a follow-up to the information provided from the first round of Oral and Maxillofacial (OMFS) deep dives to fully map OMFS laboratories across the country and the services provided. Some of the questions will be about clinical data so it would be useful to have this to hand as you fill in the questionnaire. Please only include NHS data (not private).

Maire Morton

Clinical Lead for OMFS

Getting It Right First Time

NHS England

This questionnaire MUST be completed by a Maxillofacial Prosthetic Laboratory Service Manager working in the trust's maxillofacial laboratory.

This questionnaire should take no longer than 20-30 minutes to complete (depending on if you have the data readily available). You will be provided with a PDF to help you to collate your answers as some questions may require research.

The sections in this questionnaire cover the following:

- **Services and facilities**
- **Workforce**
- **Compliance**
- **Demand**
- **Income**
- **Implants and models** (you *may* need to source the answers for this section from the Clinical Director or manager for the service. These questions are related to current practice). It covers 3D planning, cutting guides and pre-formed plates for Head and Neck Cancer and Orthognathic Surgery.

Introduction

1 What is your full name?

Name *(Required)*

2 What is your email address?

Email *(Required)*

3 What is your job title?

Job Title *(Required)*

4 What is the name of your trust/organisation?

Please select your organisation *(Required)*

Please select only one item

Services and Facilities

1 How many maxillofacial laboratories are there within the trust?

Please select a number *(Required)*
Please select only one item

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5

2 Which other trusts do your trust's maxillofacial laboratories provide a service for?

Please list each trust on a separate line (please type N/A if this doesn't apply) *(Required)*

3 Which of the following services does your maxillofacial laboratory support?

(Required)
Please select all that apply

- ☐ Oral Surgery/Oral and Maxillofacial Surgery
- ☐ Orthodontics
- ☐ Restorative Prosthodontics
- ☐ Restorative Crowns/Bridges
- ☐ Other e.g. Neurosurgery

If Other, please indicate

4 Does the lab have access to a 3D printer?*(Required)**Please select only one item*

- ☐ Yes, just one
- ☐ Yes, more than one
- ☐ No

If there is access to a 3D printer, how many cases a month, on average, is it used for, for the following?:

Orthognathic occlusal wafers

3D printed models (excluding study models)

Study models

Surgical Cutting Guides

5 Do any lab staff have direct patient contact? (e.g. patients attending for facial prostheses, surgical planning)*(Required)**Please select only one item*

- ☐ Yes
- ☐ No

If YES, how many patient contacts during the year April 2022-March 2023?***Is this number higher or lower than pre-pandemic?****Please select only one item*

- ☐ Higher
- ☐ No change
- ☐ Lower

Please add any comments here

6 Are the laboratory patient contacts recorded as outpatient attendances in the trust PAS?*(Required)**Please select only one item*

- ☐ Yes
- ☐ No

Workforce

1 Currently how many Maxillofacial Prosthetists does the trust employ (this includes Reconstructive Scientists)?

WTE *(Required)*

Headcount *(Required)*

2 Are all the Maxillofacial Prosthetists registered with the GDC (this includes Reconstructive Scientists)?

(Required)
Please select only one item

- ☐ Yes
- ☐ Some
- ☐ No

Please add any comments here

3 Are all the Maxillofacial Prosthetists/Reconstructive Scientists classified using U codes on ESR?

(Required)
Please select only one item

- ☐ Yes
- ☐ Some
- ☐ No

Please add comments here if your answer is not 'Yes':

4 Currently how many Dental Technicians does the trust employ?

WTE *(Required)*

Headcount *(Required)*

5 Are all the Dental Technicians registered with the GDC?

(Required)

Please select only one item

- ☐ Yes
- ☐ Some
- ☐ No

Please add any comments here

6 Are all the Dental Technicians coded on ESR as S4R?

(Required)

Please select only one item

- ☐ Yes
- ☐ Some
- ☐ No

Please add any comments here

7 Currently how many trainees does the lab have? (Headcount)

Type 0 if none - do not leave blank

Scientific Training Programme (Required)

Distance Learning MSc (Required)

Dental Technicians (Required)

Other, please specify below

Other, please specify

Please indicate other members of staff:

--

1 Does the lab have a Quality Management System in place?

Working towards implementation

ISO 13485 <i>Please select only one item</i>	<input type="radio"/>	<input type="radio"/>
ISO 9001 <i>Please select only one item</i>	<input type="radio"/>	<input type="radio"/>

If yes, and this is regulated, please indicate your external regulator. If your answer is no, please comment with your reason(s)

--

Please select only one item

☐ Yes

☐ No

If yes, please enter your MHRA registration number in the box below.

MHRA Reg No.

9/12

1 Approximately, what proportion of the lab services (jobs) came from the following during April 2022 to March 2023 (new and existing work)?: (as a percentage)

Oral Surgery and/or OMFS - percent (%) *(Required)*

Orthodontics - percent (%) *(Required)*

Restorative Dentistry - percent (%) *(Required)*

Other services - percent (%) *(Required)*

Income

1 Approximately what % of the lab income came from the following during April 2022-March 2023? (if known):

Oral surgery and/or OMFS - percent (%)

Orthodontics - percent (%)

Restorative Dentistry - percent (%)

Other sources - percent (%)

If this information is unknown, please explain why in the box below (e.g. Orthodontic block contracts).

Please explain here

Implants and Models

You *may* need to source the answers for this section from the Clinical Director or Business Manager for the service. These questions are related to current practice.

1 Are any surgeons in the trust using an outside provider for 3D planning for head and neck cancer?

(Required)

Please select only one item

- ☐ Yes
☐ No
☐ Don't know

2 Are any surgeons in the trust using cutting guides in head and neck cancer surgery?

(Required)

Please select only one item

- ☐ Yes
- ☐ No
- ☐ Don't know

3 Are any surgeons in the trust using pre-formed plates in head and neck cancer surgery?

(Required)

Please select only one item

- ☐ Yes
- ☐ No
- ☐ Don't know

4 Are any surgeons in the trust using an outside provider for 3D planning for orthognathic surgery?

(Required)

Please select only one item

- ☐ Yes
- ☐ No
- ☐ Don't know

5 Are any surgeons in the trust using cutting guides for orthognathic surgery?

(Required)

Please select only one item

- ☐ Yes
- ☐ No
- ☐ Don't know

If yes, is this for all orthognathic cases?

If no or don't know, select N/A.

(Required)

Please select only one item

- ☐ Yes
- ☐ Some
- ☐ No
- ☐ N/A

6 Are any surgeons in the trust using pre-formed plates for orthognathic surgery?

(Required)
Please select only one item

- ☐ Yes
- ☐ No
- ☐ Don't know

If yes, is this for all orthognathic cases?

If no or don't know, select N/A

(Required)
Please select only one item

- ☐ Yes
- ☐ Some
- ☐ No
- ☐ N/A

7 If the trust's surgeons are using cutting guides and pre-formed plates, are these made in your lab or by outside providers? Please also describe in the box below.

(Required)	Made in your lab	Outside providers	Both	Don't know
Cutting guides Please select only one item	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Pre-formed plates Please select only one item	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please make any comments in this box

8 What proportion of the lab's orthognathic planning is digital?

Please enter proportion of orthognathic digital planning (%):
