

## **‘Prosthodontics at the Interface’: the BSSPD/IMPT Conference & **IMPT AGM 2024****

An exciting opportunity for IMPT members to attend the British Society of Prosthodontics’ 2024 Conference...

~~Full Price £495~~

£195 - £45 rebate =

**Price for IMPT Members: £150**

The IMPT is subsidising our members to join this fantastic two-day conference. Speakers from the UK and Europe will give presentations on the role of digital technologies in prosthodontics, patient psychology, and design techniques. It’s an excellent opportunity to hear from renowned prosthodontics specialists and make new connections within the profession.

Speakers include Dr Nathalie Vosselman, University of Groningen Medical Centre, Netherlands talking on prosthetic rehabilitation following resective head and neck cancer surgery and Dr George Michelinakis, speaking on modern technology that produces precision prosthetics.

The IMPT’s Annual AGM will be held at the venue after lunch on Day 1 (18<sup>th</sup> April)

The IMPT Programme day 2 (19<sup>th</sup> April) includes - 3D Computer technology, joint working and supporting patients. Please see the attached programme.

The BSSPD welcomes IMPT members to attend any presentation of interest.
